◆ A N N O U N C E M E N T ◆

The Fall 2016 issue of *Contemporary Literature* was the last to be edited by Mary Mekemson. Mary received a Ph.D. in Renaissance literature in 1988 and took the position of managing editor with the journal the same year. From 1988 to 2016, she read and thought about every word published in *Contemporary Literature*. She was (and is) a superb editor. Her insistence upon clear writing improved the prose style and argument of many an essay. She regularly received praise and thanks from the authors with whom she worked. All of us at the journal and the UW Press wish her the very best.
