in Thom Gunn’s San Francisco,” by Michael Nott

Reviews by Kelly M. Rich and Jane F. Thraikill

## Twentieth-Century Literature

Focusing on literary-cultural production emerging from or responding to the twentieth century, *Twentieth-Century Literature* offers essays, grounded in a variety of approaches, that interrogate and enrich the ways we understand the literary cultures of the times. This includes work considering how those cultures are bound up with the crucial intellectual, social, aesthetic, political, economic, and environmental developments that have shaped the early twenty-first century as well.

*Lee Zimmerman, editor*
