# MODERN LANGUAGE STUDIES

**Modern Language Studies** is a peer reviewed journal representing the wide-ranging critical and creative interests of Northeast Modern Language Association members. We publish scholarship, creative writing, interviews with writers and artists, reviews, and commentary on the professions of teaching, research, and writing.

We are particularly interested in, and welcome submissions of, unpublished primary documents of literary historical interest and special clusters exploring hybrid literary forms and intersectional readings; essays on the current challenges and transformations in higher education, graduate and faculty working conditions, pedagogy, and related topics; and fiction, poetry, narrative nonfiction and autotheory, graphic narratives, hybrid-form work, multimodal/multimedia work, creative audio projects, and blended genres.

**Modern Language Studies** is edited and produced in its entirety at Susquehanna University. For submission guidelines, and to find our Submittable portal, visit [www.mlsjrn.com](http://www.mlsjrn.com). Send all subscription inquiries and correspondence to [mls@susqu.edu](mailto:mls@susqu.edu).
